delivered to you by us. You are required to promptly load all Enhancements, and will be subject to termination of Services if failure to do so means you are not on the most current version of the Licensed Software.

Redacted

Custom software provided by third parties ("Third Party Software") may limit the benefits of Enhancements or be overlaid by functionality of those Enhancements. We do not provide any Enhancements to Third Party Software or program updates or Enhancements to Licensed Matter based on compatibility with Third Party Software.

LICENSED MATTER POLICIES

Licensed Matter – Restrictions on Use. Unless we provide otherwise, you may not install Other Matter on the Equipment or connect Other Matter to Licensed Matter, either directly or remotely, without our prior written consent. This restriction is necessary to protect the integrity and continued functioning of the Licensed Data, Licensed Software and the Equipment.

Redacted

Redacted

You expressly acknowledge that the Licensed Matter constitutes valuable proprietary property, includes confidential information and constitutes trade secrets that embody substantial creative efforts and that is valuable to Reynolds. You agree to keep confidential the Licensed Matter (including all licensed copies and Documentation) covered under the Documents and shall not copy, reproduce, distribute, or in any way disseminate or allow access to or by third parties.

You expressly agree that you shall observe complete confidentiality with respect to the Licensed Matter. This agreement and requirement mean that you shall not disclose or otherwise permit any person, firm or entity access to or use of the Licensed Matter. The sole exception to this restriction is that you may disclose or grant access to the Licensed Matter to your employees whose employment requires such access, provided that each employee is advised that the Licensed Matter contains proprietary property, confidential information and trade secrets and that each employee agrees to preserve the confidentiality of the Licensed Matter.

Redacted

You shall not copy (except for archive purposes), reverse engineer, modify, duplicate, disassemble, de-compile, reverse assemble, or otherwise attempt to create or discover, by any means, all aspects of the Licensed Matter including, for example, but not limited to, source code, screen prints, user interface, user output, reports, report format, report content, reflexes, behaviors, internal logic, edits, data field content, integration to other programs, overall design or object code.
